07 June 2017
CSIR-NGRI, Hyderabad

Notification

Due to some official problem, AcSIR has decided to change the date of interview of short-listed candidates for the 2017 August batch of AcSIR-NGRI PhD program. Thus, there would be no interview on 29 June 2017 as posted earlier on our website. And, the new date of interview will be notified as soon as AcSIR finalises it.
