

Functionality:

1. SAC:

This committee deals with the academic aspects related to:

- Selection of Post-docs, Post-graduate students for dissertation work, and summer and winter trainees (including Summer Research Fellows of Indian Science Academies)
- Issuing of No Objection Certificate to Temporary project staff for Ph.D. registration in various universities (excluding AcSIR)
- Issuing of No Objection Certificate to external candidates for Ph.D. registration who desire to pursue a part of their research work at CSIR-NGRI

2. SWC

This committee deals with:

- Allocation of accommodation
- Issue of canteen card, ID card, any other such card needed for the temporary staff and visiting trainees

3. Recruitment Section:

In the new policy, the Recruitment Section of CSIR-NGRI directly takes care of extension of tenure of temporary project staff by inviting work reports every month and forming assessment committee to evaluate all cases.

4. Information Section:

The Information Section of CSIR-NGRI looks after the visit of students' batches from various universities/ colleges for short-term training. It coordinates with the Scientists to work out suitable training program and SWC for logistic arrangements.

All these committees are assisted by a secretarial staff in the Human Resource Training Cell (HRTC).
